Subject: tribal consultation request on upcoming NPDES permits

Hi Ken,

I'm just writing to check in with you about EPA's tribal consultation request on the upcoming NPDES permits for federal dams on the Lower Columbia and Snake Rivers. We sent a letter in early October requesting that the Nez Perce Tribe let us know if there was interest in tribal consultation by October 31, 2018. I had not heard anything. If you believe the Nez Perce Tribe is interested in tribal consultation on the dams, please feel free to let me know. I'll continue to keep you updated on the progress of the permits regardless of whether the Nez Perce Tribe is interested in formal consultation.
